

Announcing -----

Million Minute Reading Madness

*W.T. Sampson School invites
the Guantanamo Bay*

*Community to discover how time flies
when you're having fun reading! Our goal is
to have base residents read a million minutes
by mid January. Everyone is welcome to join
in the madness!*

*The collective "clock" will begin on
Monday 16 October. Participation forms will
be available at both the elementary and high
school media centers, the base library and
the NEX entry. Time will be tallied weekly
with updates posted throughout the
community, in the gazette, on radio, and the
roller!*

*The madness will end with a base wide
celebration scheduled for mid January.*

*Get Mad about Reading and see how time
flies!*
