

GradeSpeed Summary

For the 2008-2009 School Year, DoDEA has implemented *GradeSpeed* in all 4th - 12th grade classrooms worldwide. *GradeSpeed* is a web-based program that enables parents to log-in to view grade and attendance data for their student(s). *GradeSpeed* will be the only authorized and supported grade book used by DoDEA employees in Grades 4-12.

All teachers have secure access to *GradeSpeed* through the use of an Internet web browser. Teachers use the grade book portion of *GradeSpeed* to enter assignments, grades, and to maintain grade calculations. Teachers are also able to email progress reports to parents through *GradeSpeed*.
